

SUGGESTED USE: 1 capsule, 1 to 2 times daily at the beginning of each meal or as directed by your healthcare professional. Do not chew or open capsules.

This product supplies a supplemental source of hydrochloric acid. This product should only be taken by people who have reduced levels of stomach acid. Each 648 mg capsule is equivalent to a measurement of 10 grains of betaine HCl.

Children and pregnant or lactating women should consult their healthcare professional prior to use. Do not use if shrinkwrap is broken or missing.

STORAGE: Store in a cool, dry place below 85°F away from direct light. Do not freeze. Keep out of reach of children.

PreGestion meets or exceeds cGMP Quality Standards.
