WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. As with any product containing Omega-3 fatty acids, adhere carefully to the amount recommended by your doctor.

KEEP OUT OF REACH OF CHILDREN.

Store in a cool, dry place. Keep bottle tightly closed.

The Advanced Science of DHA from Algae: Algal-900®

Originally developed for the NASA space program, Algal DHA is a patented non-fish Omega-3 oil. It is cultivated in a controlled USA laboratory under PhD supervision. Highly concentrated, extra pure & beneficial, it is the form of DHA used in nearly all infant formulas in the USA for brain health.* Also:

- Over 95% of the Omega-3 in the brain is DHA: essential to maintaining the fluidity of brain cell membranes.*
- DHA is a key component of the heart, especially in the conductive tissue.*

Algal-900 is a registered trademark of Lang Pharma Nutrition, Inc.

life'sDHA is a registered trademark of DSM.
