15 BILLION

Live bacteria cells per capsule†

Beneficial bacteria can help support healthy intestinal flora balance*

Humans' intestinal flora is naturally colonized by trillions of microorganisms. Maintaining a natural balance between all bacteria species is important for overall digestive health. **CVS Health™ Senior Probiotic** is a proprietary probiotic blend specifically formulated for people over 50. It contains a concentration of 15 billion active cells per capsule† including 3 different *Bifidobacteria* species, natural probiotic residents of the colon, which start declining around age 50.*

Directions Adults: As a dietary supplement for intestinal microflora balance*, take one capsule daily at mealtime.

KEEP OUT OF REACH OF CHILDREN. STORE at 72°F or cooler. Do not expose to excessive heat or moisture. Do not use if seal is broken. No refrigeration needed.
