Our Story... Amazing Grass is grown and harvested in the good ol' United States of America, on a family-run farm, in Kansas to be exact, where we're dedicated to creating the best Organic Green SuperFoods, made from the finest ingredients on the face of the earth. We believe in the incredible power of nutrition, leaving this world better off than how we found it, and above all, sharing the happiness of Amazing Grass with people - because at the end of the day, making people happy makes us happy people.
