THIS CONTAINER

Per serving at time of manufacturing

Directions As a dietary supplement, mix one to two (1 to 2) scoops in divided doses, for maximum benefit or as recommended by a healthcare professional. Stir briskly until mixed. For optimal results, take 30-45 minutes after a meal.

If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medication, or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. **CAUTION:** Contains oxygen and moisture absorbing packets. Do not eat. Do not place packets in blender.

Proper Care & Storage Store in your freezer (best) or refrigerator (good) after opening. Keep out of reach of children.
