**This product is not manufactured or distributed by i-Health, Inc., distributor of Estroven® Maximum Strength.

This product contains about as much caffeine (55 mg/serving) as about one half cup of coffee.

WARNING: Do not use if you are pregnant, considering becoming pregnant or nursing a baby. Consult your doctor prior to use if you have a liver disorder or develop symptoms of liver trouble such as abdominal pain, dark urine, or jaundice. If you are planning any medical procedure, have any other medical condition, including but not limited to: a hormone-sensitive condition or bleeding problems, or if you are taking any medication or other dietary supplements, consult your doctor before use. Some consumers may experience gastrointestinal discomfort, but it should not be persistent. Discontinue use and see your doctor if discomfort persists or if any other side effects occur. This product is not intended/recommended for children under 18 years of age and those sensitive to caffeine. Keep out of reach of children.

Store at room temperature (59°F-86°F). Do not expose to excessive heat, humidity or direct sunlight.

♦This product contains 80 mg of Black Cohosh per serving as compared to a multi-ingredient menopause supplement that contains 40 mg of Black Cohosh per serving.
