

Calcium is the most abundant mineral found in the body and is vital in supporting the overall structure and function of the body and maintaining good health.[†] The Ultimate Calcium Mineral Formula[®] from Roex[®] contains five forms of calcium that are easily absorbed by the body, and also includes Vitamin D, Magnesium and Selenium to promote maximum absorption and bioavailability.[†]

Adequate calcium and Vitamin D throughout life, as a part of a well-balanced diet, may reduce the risk of osteoporosis.

Warning: Consult your physician prior to use if you are pregnant, nursing, have a medical condition or are taking medications. Not intended for children.

[†]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Store at room temperature, in a dry place.

Keep out of the reach of children.

Do not use if clear safety seal around bottle neck is broken or missing.
