

Roex® Natural Collagen II Plus™ combines the benefits of Chondroitin Sulfate and BioCell Collagen™. BioCell Collagen contains a patented composition of naturally occurring hydrolyzed collagen type II, chondroitin sulfate, and hyaluronic acid in a highly absorbable matrix form that has been the subject of human clinical trials including safety, efficacy, and bioavailability.† This formula nutritionally supports healthy joint and cartilage function and helps maintain healthy skin.†

**Warning:** Consult your physician prior to use if you are pregnant, nursing, have a medical condition or are taking medications. Not intended for children.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
