

Life C® Chewable

Seven active forms of natural vitamin C

- Helps maximize the benefits of vitamin C
- Uses seven varied forms of vitamin C
- Provides antioxidant protection
- Promotes healthy gum tissues and wound healing
- Enhances iron absorption

What is Life C?

Life C® combines seven slightly different, food complex forms of vitamin C to help maximize the benefits of vitamin C throughout the body. Providing more than just ascorbic acid, each form of vitamin C contained in this product has a different mechanism of absorption, which means you can enjoy the benefits of an extra boost when you need it most. In addition, Life C's seven forms each perform a slightly different function, answering the need for a broad range of antioxidant support.

- Supports Hormone synthesis

Primary Support:

Antioxidant,
Multivitamin & Mineral

Secondary Support:

Immune

Did You Know?

Vitamin C was one of the first essential nutrients discovered. It is important for healthy skin, bones, and connective tissues, and it's also known to help the body absorb iron.

DIRECTIONS: Take one (1) to two (2) chewable tablets per day.
