

Choline Bitartrate allows the body to manufacture the neurotransmitter acetylcholine, which assists in bladder, kidney, pancreatic, testicular, and liver functions.† It also aids in hormone production and has been shown to help boost the libido.† Roex® has added Betaine HCl to help increase the secretion of HCl from the stomach's parietal cells, which is critical for proper digestion of proteins and the emulsification of fats.†

Warnings: Consult your physician prior to use if you are pregnant, nursing, have a medical condition or are taking medications. Not intended for children.
