

Epithelial Tissue Support[†] is designed to support the natural metabolic and regenerative processes of cells and tissues.[†] This unique formula nourishes cells, tissues and organs throughout the entire body.[†] Peak ATP[®] has been added for its energy-giving properties in support of proper cellular function.[†]

WARNING: Consult your physician prior to use if you are pregnant, nursing, have a medical condition or are taking medication. Do not use this product if you have a known sensitivity or allergy to niacin. Not intended for children.

Caution: Niacin may cause temporary flushing, itching and tingling, feelings of warmth and headache, particularly when beginning, increasing dose, or changing brand of niacin. These effects seldom require discontinuing niacin use. Skin rash, upset stomach, and low blood pressure when standing are less common symptoms; if they persist, consult a doctor.

Peak ATP[®] is a registered trademark of TSI Health Sciences, Inc.

[†]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Store at room temperature, in a dry place.

Keep out of the reach of children.

Do not use if clear safety seal around bottle neck is broken or missing.
