

Roex® Choline Supreme™ provides a superior form of choline (GPC) which is more effective at enhancing brain neurotransmitter levels than traditional choline or lecithin supplements.† Also contains uridine, a natural nucleic acid that promotes the conversion of choline to membrane phospholipids, greatly enhancing the immediate and long-term benefits of GPC.†

WARNING: Use only as directed. Not for use by pregnant or lactating women. Consult a doctor before use if you are taking medications or have a medical condition. Not intended for children.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Store at room temperature, in a dry place.

Keep out of the reach of children.

Do not use if clear safety seal around bottle neck is broken or missing.
