

Active Antioxidant Form of CoQ10

NORDIC

NATURALS®

Nordic CoQ10 Ubiquinol™ offers 100 mg of the active antioxidant form of CoQ10 known to neutralize free radicals.* Ubiquinol is required for energy production in the cell, and has also been shown to support cardiovascular and brain health.*

Suggested Use: One soft gel daily in the morning, with food, or as directed by your health care professional or pharmacist. For extra support, take two to three soft gels daily in the morning, with food, for the first two weeks. Then, one soft gel daily thereafter.

Store in a cool, dry place, away from sunlight. Do not take if tamper-evident seal is broken or missing. Keep out of the reach of children.

Nordic Naturals products are never sold under any store brand

Warning: Consult with your physician before taking this product or any dietary supplement if you are pregnant or lactating, have a known medical condition, or are taking medications.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
