

Detox & Liver Health™

Glutathione-producing *Lactobacillus fermentum* ME-3®

Revolutionary antioxidant and liver health support*

Supports healthy detoxification and normal liver function*

PLUS: Milk thistle fruit extract (200 mg Silymarin), L-selenomethionine Dietary Supplement • 60 Capsules

Reg'Activ® DETOX & LIVER HEALTH™ contains the revolutionary probiotic strain *Lactobacillus fermentum* ME-3®. Studied for over 20 years, ME-3® produces the super antioxidant glutathione, which supports liver tissue health and function on a cellular level.*

Most detox herbals work by promoting healthy glutathione levels and activity. L-Methionine and N-Acetyl-cysteine (NAC) are glutathione precursors. L-selenomethionine promotes healthy levels of glutathione peroxidase. Milk thistle supports super antioxidant enzymes in the liver. Reg Activ® harnesses the synergy of these ingredients and pairs it with powerful *Lactobacillus fermentum* ME-3®.

Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 30

	Amount Per Serving	% Daily Value
Selenium (as selenomethionine)	100 mcg	143%

20 Years of Published Research: Probiotic research is transforming human health; Reg'Activ® products build upon these breakthroughs. In 1995, award-winning microbiologist Marika Mikelsaar, MD, PhD and her team of research scientists isolated a unique probiotic strain, *Lactobacillus fermentum* ME-3®.

ME-3® produces glutathione, which acts as the Master Antioxidant in every human cell. Glutathione is a key regulator of detoxification throughout the body, with highest concentrations found in the liver.*
