STORE IN A COOL, DRY PLACE.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Source Naturals **BLUE-GREEN ALGAE** is wildcrafted and harvested in the prime upper regions of Upper Klamath Lake, Oregon, and is of the highest quality available. Its name comes from the two color pigments it contains: phycocyanin, which is blue, and chlorophyll, which is green.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.

SN0174 REV K182
