*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: sorbitol, stearic acid, modified cellulose gum, and silica.

Suggested Use: 1 or 2 tablets daily between meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Feverfew (*Tanacetum parthenium*) is a member of the daisy family. Its extract has been shown in human cell culture studies to inhibit the synthesis of prostaglandins known to cause physical discomfort. Further research needs to be conducted to confirm its effects, if any, in humans.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
