

POMEGRANATE

Pomegranates originate in the Western part of the Himalayas. It contains a number of natural ingredients beneficial for skin, among them ellagic acid. The fruit is picked, dried and extracted so that the desirable herbal substances are preserved. This is your guarantee for a high quality product.†

Æ001980U-2

DIRECTIONS

Adults: Take two tablets per day with food or drink. **Warnings:** Keep out of reach of children. Do not take if you are pregnant or breastfeeding. Do not take if allergic to fish. Do not use if blister package (inner foil) has been opened or tampered with. Store in a cool, dry place. It is not recommended to exceed this dosage. The **Skin Care™** tablet is based on hydrolyzed marine collagen as well as a standardized combination extract of pomegranate, tomato and natural astaxanthin. Skin Care is optimized with vitamin C, which supports the formation of collagen important for normal and healthy skin. Skin Care helps support the skin cells against oxidative stress – for example the effect of photo aging UV radiation from the sun. Normal healthy skin will better maintain moisture inside cells to protect against premature skin damage.†

Supplement Facts

Serving Size: 2 tablets

Servings Per Container: 30

Amount Per Serving	%DV
