

SOURCE NATURALS®

DIETARY SUPPLEMENT

B-6

TIMED RELEASE

500 MG • 50 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	%DV
Vitamin B-6 (as pyridoxine HCl)	500 mg	25,000%
Calcium	20 mg	2%

Other ingredients: dibasic calcium phosphate, stearic acid, modified cellulose gum, silica, and magnesium stearate.

Vitamin B-6 is an essential nutrient which is required for the metabolism of lipids, carbohydrates, and proteins. It facilitates the conversion of amino acids from one to another as needed, and is necessary for normal synthesis of hemoglobin and for the normal function and growth of red blood cells. It is also needed for the synthesis of neurotransmitters and for converting essential fatty acids into prostaglandins (chemical messengers). This product provides a gradual release of vitamin B-6 over a prolonged period of time for improved absorption and assimilation.*

Suggested Use: 1 tablet daily. Do not exceed suggested use.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
