

PROBIOTICS WITH A PURPOSE™

Bifidobacterium lactis is clinically studied to replenish healthy gut bacteria and promote effective digestion, helping to manage healthy weight, including decreased body fat and lost inches.* Probiotics also promote healthy immune defenses.* Hibiscus and Green Coffee Bean are thermogenic, fat-burning botanicals that are known to enhance metabolism and invigorate the body.* Organic Jerusalem Artichoke Inulin provides prebiotic nourishment to fuel the live probiotics and enhance their effects. Delivers benefits you can feel due to appropriate CFU counts of an identity-assured strain that works.

Caution: As with any dietary or herbal supplement, you should advise your healthcare professional of the use of this product if you have a serious medical condition or are taking medication. If you are nursing, pregnant, or considering pregnancy consult your healthcare professional prior to using this product. Discontinue use and contact a healthcare professional if you experience an allergic reaction or side effect. Read label ingredients carefully before use and avoid use if known sensitivity to any of the ingredients. Do not exceed suggested use. **Keep out of reach of children.**
