

Aerobitine™ was designed to support endurance, strength and stamina during exercise.* It supports aerobic exercise performance by helping to increase nitric oxide levels, which in turn supports both normal blood flow and oxygen delivery.* Aerobitine™ also contains an effective antioxidant team of nutrients, and may help support fat loss goals.* BioPerine® has been added to support absorption of the ingredients.*

Suggested Use: Take 2-4 capsules depending upon body weight and level of exercise, 30 minutes before exercise or weight training. It is not recommended for use in the late evening as it may cause sleep disturbance.

Vitamin E tocopherols contain Gamma (100 mg), Delta + Beta (32.5 mg), and Alpha (11 mg).

WARNING: Do not use if pregnant, nursing, or under the age of 18. Consult your doctor before using this or any dietary supplement. Immediately discontinue use and contact your doctor if any adverse reactions occur. KEEP OUT OF REACH OF CHILDREN. To report any serious adverse events, please call 800-697-2086 or email info@snac.com.
