

## Why EndoMune Metabolic Rescue?

- Contains beneficial gut-balancing ingredients XOS and Bifidobacterium lactis
- Restores healthy, naturally occurring bacteria that tend to decline as we age
- Supports a healthy blood sugar level
- Unique formulation of both probiotics and prebiotics helps control appetite and improve satiety\*

Laboratory tested to meet strict quality control standards for potency, purity and disintegration.

**Suggested Use:** Take 2 capsules, twice per day. Our improved advanced capsule design protects bacteria from gastric acid, so take them at any time of the day.

**Storage:** Refrigeration is recommended but not necessary.

**Caution:** Do not use if the seal is broken. Please keep out of reach of children. Consult your physician before using if you are under medical care.

**Other Ingredients:** Capsule (Hypromellose, gellan gum), silicon dioxide, stearic acid, pharmaceutical glaze  
**No Preservatives or Artificial Colorings**

EndoMune Metabolic Rescue is a unique prebiotic and probiotic supplement for improving metabolic efficiency and natural, effective weight loss. Each capsule contains 1 billion CFUs of the beneficial Bifidobacterium lactis and 600 mg of Xylooligosaccharides (XOS), an important fiber shown to optimize good bacteria in the colon.
