

USAGE: Take 1 softgel 3 to 4 times per day with meals or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarrow Formulas® CLA contains conjugated linoleic acid (CLA), a unique optical isomer of the polyunsaturated fatty acid linoleic acid. CLA is a lipid component of cell membranes and breast milk. Although dietary sources of CLA typically include red meat and dairy products, **Jarrow Formulas® CLA** is derived from safflower oil. CLA has been shown in animal experiments to assist in glucose metabolism, the reduction of body fat and enhancement/retention of lean body mass (muscle).*

Keep out of the reach of children.

Store in a cool, dry place.
