

USAGE: Take 1 softgel per day with food or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are preparing for or recovering from surgery, pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

FamilE® contains all 8 members of the vitamin E family. These "Toco's"—4 forms of tocopherol and 4 of tocotrienol—are typically found concentrated in plant seeds and vegetable oils. FamilE® is specifically rich in gamma tocopherol and tocotrienols (EVNol SupraBio™) for enhanced antioxidant and cardiovascular function.* Excess d-alpha tocopherol depletes gamma tocopherol. FamilE® provides a potent and comprehensive tocotrienol complex that supports cardiovascular function by reducing the oxidation of low-density lipoproteins.*

EVNol SupraBio™ is a trademark of ExcelVite, Inc. and is protected by U.S. Patent # 6,596,306.

Keep out of the reach of children.
Store in a cool, dry place.
