

USAGE: Take 1 capsule with each meal or as directed by your qualified healthcare professional. DO NOT chew this product. Swallow quickly with adequate liquid.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Vegetarian Jarro-Zymes® Plus is a special formulation of acid-stable microbial and fungal enzymes with activities similar to pancreatin, containing amylase, lipase, and a complex of endo- and exopeptidases that are active over a wide range of gastrointestinal pH.* Alpha galactosidase is produced by single cell fermentation and facilitates digestion of legumes and cruciferous vegetables.* Lactase is added to facilitate the digestion of lactose.*

Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
