NitroVarin™

{ LipoDyne™ 100% Solution }

ADVANCED

LIQUID FAT BURNING*

DROPS

Active compound shown to influence the cellular dynamics of adipose (fat) cell metabolism:

Clinically shown to significantly decrease body fat by an average of 14.6% in a matter of weeks**

DIETARY SUPPLEMENT

1 fl. oz. (30 ml)

NovexBiotech®

WARNING: This product contains a significantly potent xanthine (i.e., caffeine and caffeine-like stimulants) mixture, of about 100 mg per serving. Consult your physician before use if you are sensitive to stimulants. Niacin (vitamin B3) may cause temporary skin flushing, redness or itching in those persons who are sensitive to niacin. If they occur, these temporary side effects will subside in a matter of minutes. Do not exceed suggested daily serving. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing.

Keep out of reach of children.

Use only as directed.

Individual results may vary.

Use in conjunction with any sensible diet and weight loss program.

Do not purchase if seal is broken.

If you or your health care provider have any questions, please call: 1-800-898-5153.

International distribution is not authorized without prior written consent. Product resale allowed only through authorized representatives.

Manufactured in the U.S.A.

Protect from heat, light, and moisture. Store at controlled room temperature: 15°-30°C/59°-86°F

**In a published, randomized, double-blind, placebo-controlled clinical study, 48 obese and overweight participants were divided into 2 groups, and were told to take either the active compound or a placebo before 2 main meals, with an 8-ounce glass of water. No major dietary changes nor exercise were suggested during the study. During the 10-week study, the group that took the active compound showed an average of 14.6% body fat lost and an average of 19.4 pounds lost without any major changes in diet or exercise. However, it is always advisable to engage in a sensible diet and exercise program.
