

USAGE: Take 3 capsules per day with food or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition (especially diabetes or being treated for glucose control), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially for glucose control), consult your healthcare professional before using this product.

Vision Optimizer® supports visual function and ocular antioxidant status.*

- **Lutein** and **Zeaxanthin** isomers are antioxidant carotenoids that accumulate in the central retina (macula) to comprise macular pigment, which plays a critical role in visual performance and protecting the macula by filtering damaging, high-energy blue light emitted from all types of screens (smartphones, tablets, laptop), LED/CFL lighting, and the sun.*
- **Mirtoselect®** is a full spectrum **Bilberry Extract** rich in antioxidant anthocyanins and **Grape Seed Extract** is rich in antioxidant proanthocyanidins that support healthy blood flow to the eyes.*
- **R-Alpha Lipoic Acid**, **Selenium** and **Vitamin B₂** support levels of the body's master antioxidant, glutathione, and cellular antioxidant defenses to protect the eyes' lenses from oxidative stress.*
- **Quercetin** is an antioxidant that supports lens architecture.*

Keep out of the reach of children.
Suitable for vegetarians/vegans.
