

USAGE: Take 4 capsules per day or as directed by your qualified healthcare professional.

NOTE: DO NOT use if allergic to shellfish. If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Glucosamine and chondroitin sulfate are fundamental components of joint tissue involved in the production of hyaluronic acid, which is an important component of the synovial fluid that lubricates the joints and a major component of the connective tissue in the skin.*

Vitamin C and manganese are required for the synthesis of collagen and cartilage.*

Jarrow Formulas® glucosamine sulfate is SODIUM FREE and stabilized with potassium chloride (KCl).

For best results, use with **Jarrow Formulas® JarroSil®**, the biologically **Activated Silicon®**.

Keep out of the reach of children.
