

USAGE: Take 5 capsules per day with juice or water or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Yaeyama Chlorella is a single-celled, fresh water algae, grown in the environmentally pristine coral reef region of Japan's Ishigaki Island. Yaeyama Chlorella cell walls are broken by a high impact, jet-spray drying process.

Yaeyama Chlorella provides chlorophyll, RNA, DNA and proteins, and is a source of naturally occurring vitamins and minerals. Yaeyama Chlorella supports healthy cell function and promotes detoxification, especially heavy metal excretion.* "Yaeyama" means richer, more flavorful and more nutritious chlorella!

Keep out of the reach of children.
Store in a cool, dry place.
