

Incredibly Delicious!

NanoEPA^{DHA} provides EPA/DHA from fish oil, plus natural Vitamins D & E, with every great tasting, non-oily, highly absorbable spoonful.

- **NanoEPA^{DHA}** supports a healthy heart, brain, mood, skin, hair, joints, hormones, and immune system.*
- **NanoEPA^{DHA}** tastes like lemon meringue pie!
- **NanoEPA^{DHA}** utilizes **MaxPure[®]**, a purification process that guarantees **NanoEPA^{DHA}** is free of Heavy Metals, Contaminants, and PCBs.
- **SuperSorb[®] Enhanced Delivery:** The size of the omega oil droplets have been greatly reduced via a proprietary emulsification process. Emulsification may increase absorption up to 300%! 
- **Vitamin D:** If not eating fatty fish regularly and getting sufficient sun exposure, you likely need more Vitamin D to support optimal bone, cardiovascular and immune health.*
- **Full Vitamin E Complex** (all 8 natural mixed tocopherols and tocotrienols): When taking fish oil it is important to consume lipid antioxidants, which also support cardiovascular health.*

**KEEP OUT OF REACH OF CHILDREN.
STORE IN A COOL ENVIRONMENT.
DO NOT GIVE TO PETS.**
