"Even more effective for Arthritis when taken with Bio-Sorb® Lecithin & DHA-500!"

too, greatly enhancing it's benefits.

"BCM-95® Bio-Curcumin® has significantly enhanced absorption and is seven times more bioavailable. Just one 400mg dose of this new bioavailability-enhanced turmeric extract is equivalent to taking 2,772mg of standard 95% extract. BCM-95® delivered 6.93 times more curcumin to the bloodstream than the ordinary standalone curcumin. It not only delivers more curcumin to the bloodstream, sooner, but it remains in body tissues nearly twice as long too, greatly enhancing it's benefits."

SUGGESTED USE: As a dietary supplement, adults take 3 capsules twice daily with food, or as directed by a health care professional.
