High Potency Probiotic

Jarro-Dophilus® Ultra is a high-potency probiotic supplement designed to restore, promote and maintain a balanced intestinal flora.*

Clinically Documented Probiotic Strains

Jarro-Dophilus® Ultra is formulated with clinically documented *Lactobacilli* and *Bifidobacterium* strains. *B. longum* BB536 and *B. breve* BR-03 have been shown to increase levels of beneficial Bifidobacteria and reduce levels of undesirable bacteria in the gut, and support regularity.* *L. acidophilus* LA-14 and *L. paracasei* LPC-37 have been shown to support specific immune responses.*

Stomach Acid Resistance

Maximum survival of live probiotic organisms in transit through the stomach and intestinal tract is made possible by **Jarro-Dophilus® Ultra's** unique delivery system consisting of a vegetarian acid-resistant capsule and the integration of the probiotics with a gel-forming matrix to protect against the negative effects of stomach acid and digestive fluids.*
