USAGE: Take 1 capsule per day with food or juice or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarrow Formulas® Resveratrol contains 100 mg of resveratrol (3,4',5-trihydroxystilbene) and resveratrol glucosides (piceids) extracted from Hu zhang ("tiger cane") root, also known as *Polygonum cuspidatum*. Polygonum extracts have a history of usage in traditional Eastern medicine as cardiotonics.

Jarrow Formulas® Resveratrol provides approximately 90% resveratrol in the *trans* configuration.

As an antioxidant, resveratrol supports cardiovascular function by inhibiting LDL oxidation, upregulating nitric oxide synthesis and promoting the integrity of capillaries.*

Resveratrol has also been studied for its ability to activate Phase 2 detoxification enzymes to maintain healthy cell replication.*

Keep out of the reach of children.
