

USAGE: Take 1 tablet per day with food or juice or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarrow Formulas® Resveratrol Synergy® brings together resveratrol (3,4',5-trihydroxystilbene) and other naturally-occurring phenolic antioxidant compounds to form a potent synergistic formula that promotes the normal activation of the body's endogenous antioxidant network and supports the cardiovascular system.* Pterostilbene (Silbinol®), also known as dimethylresveratrol, is a naturally-occurring, methylated form of resveratrol. Methylation greatly improves intestinal and cellular uptake of this important phytochemical while reducing excessive liver clearance.*

**Keep out of the reach of children.
Store in a cool, dry place.**
