

Since 1972

Circulatory System Support*

This product was developed to support the Circulatory System and blood pressure levels that are already within normal range. Consult your health care professional before taking this product if you currently have high blood pressure, are pregnant, nursing or taking any prescription medication. Do not discontinue use of your prescription medication without your doctor's approval.*

Recommendation: Take one capsule with a meal three times daily.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*
