***Diets low in saturated fat and cholesterol that include 2 grams per day of phytosterols eaten with meals or snacks may reduce the risk of heart disease. A serving of IN.FORM Pea Protein Shake provides 2 grams of phytosterols.

IN.FORM™

The IN.FORM™ Metabolic Age Support Pea Protein Shake blends 2 grams of phytosterols*** per serving with high-quality, vegan pea protein isolate in a unique formula that is free from dairy, lactose, and gluten.*

The IN.FORM Metabolic Age Support Shake is the convenient, tasty and satisfying cornerstone of the clinically studied IN.FORM program* to support and maintain a healthy body composition and reduce metabolic age.*

- * Helps to promote muscle recovery after physical exercise and enhances the buildup of lean muscle mass*
- * Promotes healthy body composition when combined with exercise and a healthy diet*
- * Provides 2 grams of phytosterols per serving which may reduce the risk of heart disease***
- * Makes an ideal high-protein snack or meal replacement*
- * Provides 20 grams of protein, a source of 18 amino acids per serving.
- * Vegan pea protein isolate free from these common allergens: dairy, lactose and gluten.

WHAT IS THE IN.FORM PROGRAM?

IN.FORM is a proprietary, clinically studied program* that combines positive lifestyle changes with cutting-edge foods and supplements. By supporting a healthy gut microbiome, the IN.FORM program offers a path to healthy metabolic age and function by supporting healthy body composition, weight management, and cardiovascular function all in one easy-to-follow program.*

Learn more about the IN.FORM program and the complete line of products at NaturesSunshine.com/INFORM

For best results use in conjunction with other IN.FORM products as recommended by a certified IN.FORM coach.

Recommendation: Mix two level scoops (51g) with approximately 9 ounces of cold water, or mix to taste.

***Diets low in saturated fat and cholesterol that include 2 grams per day of phytosterols eaten with meals or snacks may reduce the risk of heart disease. A serving of IN.FORM Pea Protein Shake provides 2 grams of phytosterols.

¹Controlled human clinical study of IN.FORM program for improving key health indicators, including metabolic age, healthy body composition, weight management, and cardiovascular health by supporting gut health, NSP 2015.
