Ayurveda, Sanskrit for "The Science of Life," is one of the world's oldest recorded systems of natural health preserved through the ages on scrolls and manuscripts. The Ayurvedic view of physical and mental well-being - a healthy way of living, has experienced a renewed interest as people take a proactive approach to their personal health. Nature's Sunshine authentic formula, developed in concert with Indian Ayurvedic masters with herbs direct from India, is true to their philosophy of restoring balance to the body.*
