The urinary system works in conjunction with the lungs, skin and intestines to remove waste from the body, while also working to reabsorb water, salts, proteins, glucose and other nutrients that are essential for optimal health. The ingredients in this 30 day **Urinary System** program are formulated to support and nourish the organs of the body's filtration process.[†]

Urinary System

Supports the Body's Filtration Process[†]

DIETARY SUPPLEMENT - 30 DAY PROGRAM

60 PACKETS - (240 Capsules)

Urinary Maintenance: Is an herbal combination that supports the delicate fluid and mineral balance controlled by the kidneys, and helps promote proper urinary function.[†]

Combination Potassium: Provides necessary potassium that helps maintain fluid and electrolyte balance in the body, and is a critical component of the filtration and excretion process.[†]

KB-C TCM: A traditional Chinese Formulation that helps the kidneys to remove toxins while protecting minerals that support bone integrity. This formula also helps maintain the body's proper acid/alkaline balance.[†]
