Digestive System Support*

GUARANTEED PURE

NutriBiome™ represents the Nature's Sunshine line of probiotic supplements that help nourish and strengthen the gut microbiome and its resident microflora.*

When used every day, Bifidophilus Flora Force provides a blend of living organisms to help maintain a balance of beneficial bacteria in the intestinal tract. Bifidophilus bacteria can aid in digestion and support immune function. Bifidophilus Flora Force is also blended with prebiotic fiber conducive to the growth of friendly bacteria.*
