

FUEL YOUR MUSCLES WITH GREAT TASTING WARRIOR WHEY™ PROTEIN

To be a real warrior you should consume 1.5 grams of protein per pound of body weight for growing lean, hard and bigger muscles. TapouT® Warrior Whey™ delivers the most absorbable, highest quality protein shake that you have ever tasted!†

Whey protein helps you reach your goals whether it is to increase muscle size and get stronger, lose weight and body fat, or to stay fit and lean. Supplementing with Warrior Whey™ Protein will stop the breakdown effect of training and will supply your muscles with the protein and amino acids they need to rebuild, repair, and grow.†

TapouT® Warrior Whey™ provides the body almost 6 grams of BCAA's, the necessary building blocks that are used for building muscle tissue. In each scoop you will find premium protein and nutrients, necessary to fuel your body. Your muscles will crave it! Your taste buds will demand more!

TAPOUTSN.COM

The Revolution In Nutrition™

We started TapouT® Nutrition to assist and inspire you to reach your training goals. I believe if you use these products, and apply yourself, you will get the results you want and feel great about yourself!

With the right attitude and passion, anything is possible!

* Percent Daily Values are based on a 2,000 calorie diet.

INGREDIENTS: Whey protein concentrate, low fat dutch cocoa, fructose, nonfat milk, calcium caseinate, whey, butter powder, salt, natural & artificial flavoring, acesulfame potassium. Contains milk, egg and soy derivatives.

DIRECTIONS FOR USE:

1 scoop (32 grams), in 4 to 5 ounces of cold water, provides 23 grams of ultra high-quality protein. Stack (combine) with a number of performance-specific TAPOUT® SPORTS NUTRITION products to increase and enhance protein intake. (see left side panel)

2 scoops (64 grams), in 8 to 10 ounces of cold water, adds a whopping 46 grams of ultra high-quality protein to your diet!

- Great in lowfat milk. Makes a delicious, creamy shake.
- Add to hot or cold cereals, baked goods, pancake mixes, yogurt, etc., to increase your daily intake of protein.
