

cartilage support*

Collagen2 contains key components for cartilage support. Collagen Type 2 in the body is the key structural protein in cartilage tissue and deteriorates as we age. Collagen Type 2 includes glucosamine, chondroitin, and hyaluronic acid.*

SUGGESTED USE: Take four (4) to six (6) capsules daily. For maximum absorption, take on an empty stomach.

WARNING: KEEP OUT OF REACH OF CHILDREN. If you are pregnant, nursing or have a medical condition, consult your doctor before using this product.
