

MOVE MATRIX™ provides scientifically advanced ingredients that work synergistically in the body to promote healthy joints. This premium formula supports joint flexibility, range of motion, and a healthy inflammatory response. Like all NeoCell products, Move Matrix™ is standardized to be bioactive for potent absorption and efficacy.*

BIOACTIVE NEOCELL COLLAGEN™ TYPE 2

The key structural protein of joint cartilage. 60% of joint cartilage is made of Collagen Type 2.*

HYALURONIC ACID

A water-loving molecule that provides joint cushioning and lubrication, due to its ability to hold 1,000 times its weight in water.*

GLUCOSAMINE, CHONDROITIN & MSM

A combination of building block nutrients that contribute to the formation of healthy connective tissue.*

MOVE MATRIX BLEND™

A blend of antioxidants and herbal extracts that support a healthy inflammatory response in the joints.*

INCLUDING: TURMERIC, RESVERATROL, GINGER, & PINE BARK

PLATINUMMATRIX COLLECTION

NeoCell's **Platinum Matrix** Collection is a premium line of nutraceuticals scientifically crafted to support collagen health on a systemic level, targeting specific wellness concerns for total body vitality.

COLLAGEN MATRIX & JOINTS

Interlinked Type 2 collagen fibrils provide the structural framework of cartilage which, in turn, supplies the tensile strength to resist compression of the tissue. An inadequate or unhealthy Type 2 collagen matrix may weaken cartilage and increase the risk of damage, excessive wear or inflammation, and pain.*
