

Supports enzyme activity linked to normal cell growth and renewal, especially of breast and prostate tissues with sulforaphane and indolecarbinol (from broccoli and other crucifer extracts) and D-limonene (from oranges). Soy (from high isoflavone soy milk concentrate) provides isoflavones (e.g. genistein) that helps maintain healthy hormonal activity.*

Store in a cool, dry place, away from direct sunlight.
Packaged with safety seal.
