

CAMU-CAMU NATURE'S VITAMIN C

Camu-Camu (*Myrciaria dubia*) is a complete, all natural vitamin C complex. The vitamin C in this product is exactly how it occurs in nature; and as a result, it contains all the bioflavonoids, enzymes and other vitamin C metabolites necessary for the total effectiveness nature originally intended vitamin C to have in your body.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: Consult your physician before use if you are pregnant, lactating, have a medical condition or are taking any medication. Keep out of reach of children.
