

TRADITIONALLY USED TO
SUPPORT HEART HEALTH*

Hawthorn has been linked to usage as far back as the 1st century, and is distinguished by its bright red berries. Hawthorn is in the rose family, and is grown all over the world in sunny areas. Today, the berries are traditionally used to support heart health.* At Nature's Way®, we believe nature knows best. That's why our mission is to seek out the best herbs the earth has to give. It's the way we deliver uncompromising quality and help you live healthier.
