

GOJILIGHT

Very few botanicals have been studied more completely than Goji Berries. They contribute immensely towards good health and avoiding many age-related degenerative diseases.* Goji Berries are also beneficial for weight management and improving athletic performance.* The organic Goji Berries in GojiLight are standardized to 20% polysaccharides through a water extraction process.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: Consult your physician before use if you are pregnant, lactating, have a medical condition or are taking any medication. Keep out of reach of children.
