

- NOXADRENE® + Creatine Complex & L-Glutamine
- Strength & Recovery

NOXADRENE EXTREME is a scientifically formulated workout blend that combines the power of original NOXADRENE with powerful muscle support and recovery ingredients, including a creatine protein complex to support your workout goals, and l-glutamine, the most abundant amino acid in muscle tissue.†

Nitric oxide is known as the muscle's "cell signaling" molecule as it plays a role in oxygen delivery, blood flow, power output, and nutrient delivery to support muscle strength, recovery, and a powerful pump. The ingredients found in this formula have been known to help boost levels of this nitric oxide to promote your best lift ever!†

SUGGESTED USE: 1 packet taken 1 to 2 times daily with water on an empty stomach or as directed by a health care professional. Do not exceed two (2) packets per day. It may be advisable to take this product in cycles: 4 to 6 weeks on, then 4 to 6 weeks off.

CAUTION: Do not exceed the recommended dose. This product is not intended for pregnant or nursing mothers or children under the age of 18. Maintain sufficient fluid intake while taking this product. If you have a known medical condition and have questions about the advisability of taking this product, consult your physician prior to use. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.
