

SUPERFLEX-3 ADVANCED takes the guesswork out of selecting the most effective product to help provide overall joint support. It contains a precise balance of leading joint care ingredients including Glucosamine, Chondroitin, and MSM, plus the proven power of over 20 additional ingredients. These ingredients work to support overall joint health. Unlike many of the existing products available today, that only focus on joint cartilage, SUPERFLEX-3 ADVANCED contains specific ingredients found to support overall joint comfort and health.†

SUGGESTED USE: Take 1 packet daily as a dietary supplement, or as directed by a health care professional.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, individuals taking anti-coagulant drugs and individuals with a known medical condition should consult a physician before using this or any dietary supplement. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.

WARNING: KEEP OUT OF REACH OF CHILDREN. Do not use if safety seal is damaged or missing. Store in a cool, dry place.
