Premium Herbal Formulas

Flora's Pure Hawaiian Noni Juice is aged using a traditional Hawaiian method to increase the potency of the active ingredients. It is 100% pure and concentrated unlike many other Noni brands that are already diluted with water or fruit juice. The Noni plant (*Morinda citrifolia*) or Indian Mulberry is known throughout the islands of Polynesia for its health enhancing benefits. Its extensive use among native Hawaiians and Polynesians offers evidence that it works. Flora's Pure Hawaiian Noni Juice helps to improve digestion, stimulate the immune system and provide relief for sore joints and other minor aches and pains.\* It also helps bring relief from menstrual discomfort and the common symptoms of menopause.\*
