

It's often said that George Washington could not tell a lie. In the spirit of Ol' Georgie Boy, neither can we: Patriot's Whey is the best-tasting protein this side of the Revolutionary War.

Seriously. It's as if we travelled back in time to your grandma's house in 1966, sat in on your family BBQ, bottled all the delicious desserts, and came back to the present with the formula intact. That's why we call it the Revolutionary's Protein: because it's so damn tasty that it's revolutionary.

This ain't your dad's protein – the one that tastes like George's wooden teeth. This is good ol' fashioned American exceptionalism bottled and packed into deliciousness.
