

Directions: Take two capsules once per day or as directed by your healthcare practitioner.

DIM Estro™ supports healthy estrogen metabolism for men and women.* DIM is an advanced metabolite of Indole-3-Carbinol, the indole found in cruciferous vegetables. Indoles support healthy estrogen metabolism and an optimal ratio of estrogen metabolites, including 2-hydroxyestrogen and 16-hydroxyestrogen. The BioPerine® and curcumin combination has been added to enhance the bioavailability, extent of absorption and serum concentration of the bioactive curcuminoids.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

Caution: If you are pregnant or nursing, consult your healthcare practitioner before use. Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.

This Formula Meets or Exceeds cGMP Quality Standards.
